

As a school we recognise the need to focus on handwriting. This is our handwriting font. It can be readily downloaded, if you wish to have the font at home, from

http://www.fonts101.com/fonts/view/Script/9987/Boring_Boring

From September 2017 we will have a real drive to improve handwriting. As a result, all children will undertake handwriting practice at the start of most school days.

Children in Early Years and at the start of KS1 will focus on printing the individual letters with a clear awareness of where the 'lead in' lines on each letter are:

a b c d e f g h i j k l m n o p q r s t u v w x y z

When children are ready to do so, they will begin to work on joining the lead in lines to create joined cursive script.
