

Kemsley Primary Academy

Sport Premium Report

The government will have spent over £450 million on improving physical education and sport in primary schools over the 3 academic years from 2013-2016. The aim of this funding is to improve the Physical Education (PE) and Sports programs offered by primary schools and is provided jointly by various governmental departments including Education, Health and Culture and Media and Sport. Funding for schools is calculated by the number of children in years 1 to 6. All schools with seventeen or more primary-aged pupils will receive a lump sum of £8,000 plus a premium of £5 per pupil. Smaller schools will receive the sum of £500 per pupil. A typical primary school with 250 primary aged pupils would receive £9,250 per year. Schools are free to pool resources to ensure the greatest impact. The Sports premium is 'ring fenced' which means it can only be spent specifically on PE and sport within the school and must be used to increase the breadth of PE and sport provision and increase participation in PE and sport.

In 2015/16 we estimate that we will receive £8,895

Accountability

From September 2013 schools have been held to account for how they spend their additional 'ring fenced' funding. Ofsted have strengthened the coverage of PE and sport within the Inspectors handbook and supporting guidance so that both schools and inspectors know how sport and PE will be assessed as part of the school's overall provision.

Schools are required to include details of their provision of PE on their website alongside details of their broader curriculum, so that parents can compare sports provision between schools, both within and beyond the school day.

At Kemsley Primary Academy we have worked hard to improve PE provision over the last couple of years. We welcome the additional fundin which allows us to further enhance our provision for developing healthy and active lifestyles and provide additional opportunities for increased participation in sports.

The following table summarises the main actions that have been undertaken as a result of the sports premium to date (to July 2015) and outlines actions that are planned for the academic year 2015-16

Actions taken	Timescales	Impact/s
Buying into the local sports network – the Sittingbourne and Sheppey Sports partnership	September 2013, September 2014. This is an annual subscription that we renewed each year. <i>Unfortunately from September 2015 the partnership ceases to exist (due to lack of funding for the host Secondary school)</i>	-Training for PE leaders -Access to inter-school competitions (the school has already taken part in ‘Quick sticks’, ‘Indoor athletics’ and ‘Football competitions’ -Entry to the intra/inter-school ‘virtual league’ of athletic events (throughout the year) -Loan of equipment for sports not currently carried out in the school
Purchase of a new curriculum for PE within the school	Rawmarsh curriculum already in place. Two teachers have undertaken ‘Real PE’ training in the academic year 2014-2015. Intention is to roll out ‘Real PE’	-The new curriculum is aligned with the requirements for the September 2014 National curriculum -Coverage is in line with recommendations -Further support given to teachers on how to ensure progression in different sports -A clear assessment process is included in the curriculum package allowing earlier identification of more able pupils and those that require extra support

	across all year groups as we move into the 2015/16 academic year	
Investment in a 'Chance to shine' package	2014 action completed	<ul style="list-style-type: none"> -Focused cricket coaching for all KS2 classes incorporating professional development for class teachers who also attend the training -After school cricket club provided by a trained professional cricket coach (open to all children) -New kwik cricket equipment and resources
Providing cover to enable teachers to be released for professional development in PE/ Sport	Ongoing	<ul style="list-style-type: none"> -Lead teachers (initially) to have the ability to attend sports training / REAch2 sports conferences to ensure that the school has up to date information on PE coverage and the ability to share this with all other staff -Lead teachers to work with newly formed sports council members to plan intra/tribal events and development of award system
<p>Broadening the PE/ Sport opportunities that children have within school through employing a professional dance teacher and professional martial arts teachers to work with all year groups throughout the year</p> <p>Plans to fund alternative after school clubs that</p>	September 2013 start and committed to continuing through into 2015/16	<ul style="list-style-type: none"> -Children have access to wider sporting opportunities and are able to experience these sessions in school with an opportunity to continue this in clubs outside curriculum time (the dance coach runs an after school club and the martial arts coaches run classes in the local sports hall out of school hours) -In addition this strengthens local club links

promote exercise eg 'Glow' (aerobics with glow sticks)		
Purchasing of 'Caloo' outdoor gym equipment to be used in playtimes and as part of PE lessons	By July 2014	<ul style="list-style-type: none"> -Children will have a further option for exercise during playtime hours -The purchase of Caloo equipment comes with training for all teaching staff and suggested PE plans for carrying out lessons -Having the equipment available for use at the start and end of the school day will help to engage families in physical activity
Development of a school recognition scheme for pupils who take part in sporting competitions at (a) school level (b) school level (c) local level eg playing for a local football team) (d) county level and € national level	In place from September 2015. Display in hall celebrates this	<ul style="list-style-type: none"> -Children's participation in sport at competitive levels will be recognised and celebrated by the school encouraging others to take part -School's awareness of children's sporting ability outside the school environment will be heightened
Introduction of an annual 'Mini Mudder' event throughout the school grounds for all children encouraging awareness of outdoor adventurous activities	September 2014 , annual event. Event for September 2015 in place	<ul style="list-style-type: none"> -Children will work across year groups to complete outdoor adventurous sports activities -Heightened awareness of OAA as a form of sporting activity
Purchase of spare items of PE kit	Purchased for start of 2014/15	-A wide range of spare PE kit items will ensure that all children who are able will take part in PE lessons
Purchasing of specialised gymnastics equipment to develop long-term gymnastics club	Purchased 2014	-Our success in previous years at the Sittingbourne / Sheppey key steps gymnastics competition will be built upon

		Year 5/6 key step 2 team won the Kent county Championships in July 2015
REAch2 Kent Athletics competition to be arranged	July 2015 (hope for an annual event)	Year 5/6 children will have the opportunity to compete on a national level track (Julie Rose Stadium in Ashford) with support / training from track staff
Increased inter-school competitions to be set up	From September 2015	Children will have termly competitions against federated school (Milton Court) as well as other schools in the REAch2 community resulting in forging of relationships on a sports basis and increased possibility to represent the school
Increased opportunities for physical development to be provided through regeneration of areas of the school grounds	September 2015	Children will have increased options at playtime with specific equipment installed to ensure that children are continuing to build physical development skills through play
Purchase of new school kit for children to wear when representing the school	During 2015	Children will have increased sense of pride in representation of the school
